Ivanka and Jared,

(b) (6)

We are having a delightful time getting to know the cabinet members and their spouses your father has appointed. I am very proud to be part of the Trump Team, and to see and feel the vision your father has for America. We are committed to his agenda and look forward to doing everything we can to support its fulfillment.

Likewise, we would very much welcome the opportunity to connect again in the future. (b) (6)

While there are many responsibilities to these jobs, it is important that we take time to connect on a personal level.....to warm and comfort one another in this surreal environment.

Hopefully, there will be many more opportunities to encourage one another in this critical work.

Kind regards,

Sonny

PS: This is the article that I mentioned (b) (6) that I think describes why I believe the President is connecting with ordinary people.

All the best,
